Tea in the Garden - A Sesquicentennial Celebration

By Sandy Patrick
Friday, April 21, 2017

Imagine having tea in the Garden of Eden. Hard to imagine? Come out to Westmount's Sesquicentennial Tea in the Garden on Saturday May 13th, from 10am-2pm. Have tea amidst the original series of paintings of her version of the Garden of Eden by Orillia artist Kathy Godfrey. Now imagine your tea table dressed in red & white to celebrate Canada. Feast on fancy tea sandwiches and mouthwatering pastries with a decidedly Canadian twist. Tickets for the tea are \$10. Please contact Westmount Congregation at 705 326 9252 for ticket information. You may purchase advance tickets or at the door. The live potted plants decorating the "Garden" will also be for sale, just in time for Mother's Day the following day.
